

LEARNER INFORMATION

Government legislation, introduced on 1 July 2007, places a total ban on smoking in public places; the College site has been smoke-free since September '05 - all users are required to respect this.

Data Protection

All students will be required to complete an enrolment form at their first session. Details given at that time are held on our computerised database and governed by the Data Protection Act.

Equalities Statement

The County Council operates an Equality of Opportunity Policy. We believe that everyone is entitled to learn in an environment that is free from discriminatory behaviour so that we build a learning community based on mutual respect and trust. We welcome disabled people and those with support needs, learning difficulties and medical conditions such as wheelchair users, those with mental health difficulties, epilepsy, dyslexia, D/deaf and partially sighted.

Any skills or qualifications needed for entry into class?

None - just a willingness to learn and have enthusiasm for the subject

Course Description

Achieve clear fluid watercolours and develop your creative thinking in this class for all levels. Basic and contemporary experimental techniques, and artistic principles are explored through a wide variety of stimulating subjects, demonstrations and individual guidance.

Teaching/learning methods used

Demonstrations, hand-outs, individual guidance, variety of visual aids, plenty of books. Discussion and interaction with other students. Some reference material maybe required to collect e.g. photos, plants. No homework, but practising always helps!

Progression

By the end of the course you should have an understanding of how watercolours work and be able to use the basic techniques of watercolours.
