**A message from Mrs Marsh, Principal** It has been a nice to meet some out of catchment Year 6s on tours this week. I have experienced the anticipation of finding out about learning and tutor groups as a parent as well this year. Please remember that there are many students joining us without ready-made friendship groups and the transition to secondary school is an important opportunity to develop new relationships.

## A message from Mrs Matarazzo, Acting Deputy Principal and Transition Lead

You will receive an email from us today to inform you of your child's tutor group and learning group (this will also include the name of their House). The email will provide you with an overview of how these groups are created as well as information about what to expect in terms of communication from these key people at the College. We find that our new children are always very excited about their Houses as it makes their transition feel very real.

## Getting Ready/Things to Sort Out for Parents/Carers

### Tours

This is our third week of tours for Y6 children who are feeling particularly anxious about changing schools. For further information about tours please contact the SENCo at your child's school or Anna Garner ([anna.garner@lvc.org](mailto:anna.garner@lvc.org)).

## Coming up

### Additional Information Opportunity

Before the end of the school year, we will send you a Microsoft Office Form to complete about your child/children. This will provide you with an opportunity to share information with us that is more specific to the last 16 months and your child's/children's welfare during this time. Anything that you share with us will be treated sensitively and only shared with LVC colleagues on a 'need to know' basis. We hope that this will allow the College's pastoral team to support every child and their family in September.
