

Contacting the College

If you wish to contact the College with a question or a particular issue initial enquiries can be made to reception at **01223 891233** or at reception@lvc.org If your questions are about your child's overall progress your first port of call is your child's form tutor. Contact details for all staff are on the College website. Other people who will know your child are the Lead Tutors who have pastoral oversight in the House. If the problem relates to a particular teacher or subject, you should contact the Head of Faculty or teacher directly. In exceptional circumstances you can contact the Senior Leadership Team.

Safeguarding

At Linton Village College, we want students to feel safe. Our "THINK PINK" whole school initiative is a way in which we do this. Students will see around the college site information posters printed on bright pink paper about what to do if they are feeling worried about something. Students will also see that on each form noticeboard there is a poster, again printed on bright pink paper that contains the photographs of the following four people:

Shahla Matarazzo Assistant Principal

Ian Farr Inclusion Manager

Nichola Addley Safeguarding Officer

John Batchelor Chair of Governors

These people have been trained in how to keep students safe and also lead the training of all staff in Safeguarding. As well as the people listed above, they are available for parents or students who feel unsure or worried about someone or something.

Go4Schools is LVC's assessment, reporting and recording online platform. Year 7 parents will receive details of how to log on at the Year 7 Go4 Schools information evening on 31st October.
