

From the Principal...

It has been a lively and colourful week due to charitable events (see below). Our assemblies have focused on this year's Anti-bullying Week theme: Choose Respect. There is further information and resources for parents/carers to share with their children on the [anti-bullying alliance website](#). You can also refer to our recently-updated [Anti-bullying Policy](#) on the College website for further information about how we address bullying at LVC.

A large group of students and staff are currently on the Battlefields trip to enrich the history curriculum and provide further opportunity for reflection and remembrance.

I would like to highlight the governor vacancies that we currently have due to others finishing their term of office. We are looking to recruit committed community governors to join the governing body. This is an important voluntary role that supports the strategic leadership of the College. The appointment process involves a skills audit to ensure there is a balance of different expertise. We are particularly interested in governors that may have a background in procurement, estates or law, as well as education, but welcome expressions of interest from any parent/carers or wider members of the school community. If you are interested and wish to find out more information about what is involved please contact the Clerk to the Governing Body (tracy.coston@lvc.org).

Friday 30th November is a disaggregated training day. Teachers' attendance at twilight training during the academic year means that training won't be taking place on this day. There is a chance that you may see LVC staff out and about as the College is closed. This day has been strategically calendared to coincide with Year 11 mock exam marking and the usual spike in winter germs.

Help Needed

Volunteers are needed for the Presentation Evening on 22nd November and for the Dance Production on the 5th and 6th of December. Please email: nicolatudge@gmail.com or call 07368388596 if you can help. *Nicola Tudge*

Anti-bullying Week

This week is Anti-bullying Week and our assemblies have been focusing on how choosing respect can help us avoid bullying behaviour. Students and staff joined in with the "wearing odd socks day" on Monday 12th November which was an opportunity to express our own uniqueness and individuality. *Mr Farr*

Remembrance

Well done to Freddie Sales and Cecilia Koç who read at the Remembrance Service and at the War Memorial in Linton on Sunday. It is not at all an easy thing to stand up in front of hundreds of people and read the names of the young men who died. They did this clearly and with great composure, both in church and at the war memorial. They were a credit to the College and many people remarked how good it was to have young people involved in remembering the sacrifices of an earlier generation. *Mrs Durham*

Children in Need

A tremendous £847.21 was raised for Children in Need today. Thanks to all of you that contributed. *Miss Gelder*
