

From the Principal...

Thankfully we have been able to keep the College open during the snowy weather conditions. This has minimised disruption to learning and important activities, including exams and interviews. Many thanks to the site team for working hard to clear the roads and paths.

Monday's training day gave LVC teachers an opportunity to visit a range of schools (primary, secondary and sixth forms) to learn from and reflect on others' practice. Continuous professional development is an important aspect of the College's success and that of our Teaching School (CASSA).

The newsletter attached provides a digest of Trust-wide news and information. The development of the Chilford Hundred Education Trust (CHET), including local and regional primary schools, has created stronger educational partnerships to enhance learning experiences for the children across the Linton cluster and beyond. Professional relationships have strengthened students' curriculum and enrichment opportunities, such as in the arts, as featured in the newsletter.

Thank you to parents/carers that have already returned data collection sheets. It is important that the College has up-to-date and accurate contact details for all students, particularly in the event of an emergency. Please notify Reception of any changes to your personal information.

We look forward to Harry Potter Night and the Friends' Quiz Night next week.

Uniform

Please could all parents/carers ensure that their child/children are in the correct uniform. It is important that the College has the full support of all parents/carers with uniform so staff can focus on teaching and learning. For clarity the following items are not permitted:

- White socks
- Rings
- Necklaces
- Ankle grazer/cropped trousers
- Trainers

If you have any queries, please do not hesitate to contact me (shahla.matarazzo@lvc.org). Thank you in advance for your support.

Sports news

Students in Year 8 took part in inter-house sport during PSHE day last week, with the main focus being teamwork. The activities which were on offer included: Dodgeball, Netball and Football. All students took on the challenge of arranging their own teams, captains and positions as well as making decisions on substitutions. Our Year 10 sports leaders took on the role of leading, managing and umpiring all the games. They worked very hard to ensure all the activities ran smoothly, and that all students had a fair amount of time in each activity. The results were:

8IF Dodgeball winners

8LG Football winners

8JFi Netball winners

Well done to all students who took part in this extremely enjoyable event!

Miss London

Cross Country Success

Well done to LVC students that took part in the Schools Cross Country County Championships in January, with runners competing for their district. The top fourteen placed runners will be running for Cambridgeshire this weekend in the Anglian Schools Championships. Good luck to all LVC students involved. *Mr Kerley*
