

From the Principal...

As the weather has turned colder and wetter the school field, bowling green and Year 11 garden are now closed. Students wishing to play football can access the astro pitch as long as they have the correct footwear for the 4G surface. Further details can be found on the [uniform page of the College website](#).

The Friends of LVC play a vital role in supporting school events and fundraising for the College. They organised the refreshments for last week's Presentation Evening and will be supporting the upcoming Dance Show. This is only made possible by a team of volunteers that are willing to give their time and energy. Parents/carers that are not able to contribute in this way can support through getting involved in seasonal activities run by the Friends. Please do take note of the message below from Nicola, the Chair of the Friends, about the Christmas raffle — she has secured some amazing prizes.

New House captains have been involved in consulting on ideas on how to improve the College environment and facilities. These meetings have taken place with their Heads of House and through tutor time over the last week.

I wish everyone a good extended weekend.

Wheelchair Basketball

Gordon Perry, ex GB Paralympic basketball player delivered PE sessions to Year 9 on PSHE day. They learnt about disability sport and the importance behind remaining active. A huge thank you to Wheelchair Basketball Experience for the session. This was a brilliant opportunity for Year 9 during their PSHE day.

Mr Kerley

Dalehead Foods Final

Forty two Year 9 students were involved in the Dalehead Foods Challenge Final last Thursday, which involved designing and making an 'easy cook' ready meal. The students had to cook and present their meal for taste testing to the Dalehead Foods team. They pitched their product concept and marketing plan. Congratulations to all students who took part and the winning team 'Sausage Stars'. A special thank you to Dalehead Foods for supporting this competition for another year.

Mr Simmons

Christmas Raffle

Very soon all students will be sent home with some Christmas raffle tickets. As this is one of only four fundraising events we do every year it is vital that we raise as much as possible to enrich your children's school environment and experiences. Please sell to your family, friends, work colleagues and return all ticket stubs/monies/unsold tickets by **Friday 14th December**. There are some amazing prizes this year including £100 of Amazon vouchers, £50 John Lewis voucher, Expedition Backpack & Head Torch worth £100 and many other fabulous prizes and experiences. Please look at the Friends of LVC [Facebook page](#) for full details and updates.

Nicola Tudge

Jazz Festival

Well done to Hannah Horton and the LVC Jazz Band who performed at the Mumford Theatre

last weekend as part of the Cambridge Jazz Festival. A number of students also took part in a jazz workshop with the Blues and Roots Ensemble. The Band gave a highly polished performance showing great focus and engagement. Thank you to all the parents who came along and supported the event. Mrs Jukes

Dates for your Diary
