

From the Principal...

It has been a really special week at LVC. The Year 11 Ball is always a highlight of the school calendar. It's great to watch the students arrive in all of their finery to mark the end of their time at Linton Village College and spend an evening celebrating together. The volume of students that thanked me and other staff as they left, plus a number that also helped to clear up at the end of the evening, were testament to the year group's great manners and appreciation of the learning and support that they have received at LVC.

It was brilliant to see all students stepping up this week with our Year 10s graduating and receiving their black jumpers, marking them as the oldest in the school and eligible for the privileges that come from successfully completing the first year of their GCSE studies. Many have been proud to adorn this symbol of maturity despite the soaring temperatures! We have hosted very successful transition days welcoming our new cohort of Year 7 students and watching them enjoy the challenge and excitement of moving up to secondary school. The 8mates team did an excellent job of supporting our youngest students to settle in so well.

We have also been recruiting and inducting new members of staff readiness for September. The new Heads of House (Mrs Darvill, Mrs Addley, Mr Pelly and Mrs Keen) have been involved in preparations for the new House structure. Names and tutor group allocations will be announced to students next week.

Leavers' Ball

Year 11 students commemorated the end of their time at Linton Village College at the Leavers' Ball last Friday. The Ball was organised by Rachel Drennan and the Friends of LVC with a 'Las Vegas' theme. Huge crowds turned out to greet the arrivals in their smart suits, glamorous dresses and inventive methods of transport, as they entered the College to Linton Jazz band and a red carpet reception. *Mr Brechin*

Year 6 Transition

This week LVC welcomed our new Year 7 cohort for their two transition days. We were very impressed by the "I can" attitude demonstrated by Year 6 students - they took everything in their stride! It was lovely to see so many students making new friends across primary schools and supporting one another in many ways. Our new 8mates provided excellent support to Year 6 and have certainly had an excellent debut as a new team. *Mrs Matarazzo*
